FAO Charlie Meadows.

Dear Charlie,

Re. 7 Elmcroft Close, Wanstead

Following the recent completion of our extension by J & C Meadows, we would just like to say thank you very much for the work carried out at our property.

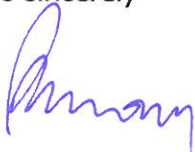

Now that the good weather has arrived, we are really able to enjoy the new space and access to the garden. The quality of the work and attention to detail has provided a impressive new area of living space especially under our feature glass roof.

We would like to thank everyone involved with the works: Alan, 'Paddy', Chris, Ahmed, Alan (joiner), Steve & John. From the first contact with your company, it has always been a pleasure dealing with J & C Meadows.

In particular please pass on our thanks to Paddy who managed the site so well, and maintained excellent relations with our neighbours despite the site restrictions.

Your professionalism reduced the inevitable stress that building projects of this nature can cause.

Yours sincerely

Richard & Christine Twomey
